

British International School Summer Fayre Friday, June 23rd, 2006

Moscow Animals would like to thank the **British International School (BIS) of Moscow**, and in particular **Stacy Corless** and the schools **Parent and Teacher Association**, for having invited us to the school's Summer Fayre which took place on June 23rd, 2006.

Our volunteers raised quite a lot of money at this event from the sale of the items we brought for this purpose and also received a fantastic donation from the BIS children!

The money raised at this event was spent on dog food and medications for Ekaterina Volkova's dog shelter. We purchased these items on October 17, 2006 at Metro, Auchan and a local pharmacy.

At **Metro** we bought: 1 big bag (13 kg) of Pedigree dry dog food; 10 cans of Pedigree adult dog food (1.2 kg each); 30 cans of Pedigree puppy food (410 gr each); 96 pouches of Pedigree puppy food (100 gr each); 4 bags of buckwheat (800 gr each), and 2 bags of rice (1 kg each). Katya uses the buckwheat and rice to mix with the canned

dog food or meat.

At **Auchan** we bought three big bags (13 kg each) of Trapeza Bio dry dog food as well as 6 bags of puppy pads (diapers).

At the **pharmacy** we bought a small supply of medications that Katya frequently needs for her dog to administer first aid

When we left Auchan, both the trunk and the back seat of our car were full...

Moscow Animals Volunteer present at the event:

- Tonda Zimmerman
- Astrid Rejding
- Tatiana Sorokina
- Ekaterina Volkova
