

# International Women's Club Winter Bazaar

## Saturday, November 28, 2009

Moscow Animals would like to thank the **International Women's Club** and in particular Winter Bazaar Chair **Sonia McNeley** and **Christiane Hanslin** as well as the entire **IWC Steering Committee** for again having invited Moscow Animals to the Winter Bazaar!

We would also like to thank the following **individuals** who made donations, bought items from our table today, brought donations such as pet bowls, books, DVDs and other items for sale at our table, and everybody else who might have made an anonymous donation or did not sign our donations sheet.

Special thanks also go to:

- **Kari Rady** and her husband **Arsen Melitonyan** donating of a box full of great new books featuring Soviet postcards, that sold almost immediately.
- **Nubia Pirone de Meyer** for her donation of Spanish-language books – a great addition to our table that mostly consisted of English-language items.
- **Tania Teschke** for letting us sell her beautiful Japanese postcards at our table.
- **Natasha Perova** from GLAS Publishing for letting us sell their books at our table.
- The **International SOS Clinic**, and in particular **Natalia Isakovich**, for their donation of books and videos, many in Japanese, that sold very well.
- The **crew from TEAM Allied** who delivered all of our boxes and the bookcases to the Radisson Hotel and picked up the remains in the afternoon.

Your donations will help many animals that are in need of help and in particular the dogs and cats at Ekaterina's, Tatyana's and Lyuba's private animal shelters (all of them are looking for loving new homes...) – such as Alma (see photo on the left), who was several years ago, but whose owner is now no longer able to care for her.
